## **SONGS FROM MY MOTHER'S PIANO BENCH**

An intimate show designed for the listening audience. Ideally, the room will have a grand piano and comfortable seating. Combine that with sophisticated music sung from the 1930's to 1950's with Carolyn Lee Jones and her backing duo or trio and you have the recipe for an engaging and entertaining event.

## **MUSIC MAESTRO PLEASE**

Delivered in a jazz or cabaret-style setting, with plenty of anecdotal information about the songs and composers, as well as Carolyn's inspiration for choosing them, all meant to engage and entertain the audience.
